

DEPARTMENT OF PHYSICS AND ELECTRONICS

MONTHLY NEWSLETTER

The department of physics and electronics started an innovation center on 5 September 2022

The students from II MPCs Y.ANNAPPA, P.KRISHNA MOHAN designed two types of Bluetooth speakers in the innovation center and sold them to the faculty.

On the eve of national science day on February 28, the department of the physics and the electronics has conducted the science festa 2k23.

It includes the following competitions,

SCIENCE FESTA - 2K23

1. Power point presentations

2. Poster presentations

3. Photography

4. Demo projects

The students from UG and PG have participated in all the programs with lots of enthusiasm.

Total 89 students were participated in all the 4 competitions , 14 students from PG and 75 students from UG

20 students were participated in the power point presentations

05 students were participated in the photography

23 students were participated in the poster presentation

41 students were participated in the project making

POWER POINT PRESENTATION WINNERS PG		
NAME OF THE STUDENT	PLACE SECURED	GROUP
