CIRCULAR

Date: 27-03-2025

Dear Students,

The department of Data Science is delighted to inform you that a **guest lecture** has been scheduled for all students of **I B.Sc Computer Science, Data Science, and BCA** on **29-03-2025**.

The session will be conducted by **Mr. Vasudev Manepalli**, Senior Software Manager at Walmart Inc., USA. He will be sharing his expertise on "**Emerging Trends in Software Engineering & Industry Best Practices**", which promises to provide invaluable insights into the field and bridge the gap between academic learning and industry requirements.

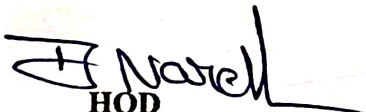

Details of the Lecture:

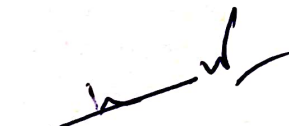

Date: 29-03-2025

Time: 9:30 AM – 12:30 PM

Venue: B V Raju College

We look forward to your active participation.

Subject: Invitation to deliver a guest lecture on “Emerging Trends in Software Engineering & Industry Best Practices”.

Dear Vasudeva Manepalli,

We are pleased to extend our warm invitation to you as a distinguished speaker for a guest lecture at **B V Raju College, Vishnupur, Bhimavaram**. In line with our commitment to providing our students with exposure to contemporary advancements in engineering and technology, we believe your technical expertise and leadership to drive innovation and efficiency in engineering teams would greatly benefit our academic community.

Lecture Details:

- **Topic:** Emerging Trends in Software Engineering & Industry Best Practices
- **Date:** 29th March 2025
- **Time:** 9 AM to 1 PM
- **Venue:** B V Raju College, Vishnupur-Bhimavaram

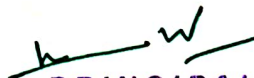

Your lecture will be a vital part of our **Guest Lecture Series** aimed at bridging theoretical knowledge with practical industry insights. We are confident that your experience and research in the field will provide our students with invaluable perspectives, and we look forward to an engaging session that inspires innovative thinking.

Kindly confirm your availability by March 25th so that we may finalize the necessary arrangements. Should you require any further information or assistance, please feel free to contact Mr. Naresh Bhimavarapu at 9494910850 or via email at hod_ds@bvricedegree.edu.in.

Thank you for considering our invitation. We eagerly look forward to your positive response and to welcoming you to our campus.

Yours sincerely,

Dear Vasudeva Manepalli,

Greetings from B V Raju College!

We are delighted to invite you to deliver a guest lecture on **Emerging Trends in Software Engineering & Industry Best Practices** as part of our academic enrichment initiatives for the students of the B.Sc Computer Science, Data Science and BCA.

The proposed lecture is scheduled for 29th March 2025 at 10AM, to be held at **B V Raju College, Vishnupur, Bhimavaram**. Your vast experience and insights in domain knowledge would undoubtedly provide immense value to our students and faculty members.

We would be honored to host you and facilitate this knowledge-sharing session. Please let us know your availability and any specific requirements for the session.

Looking forward to your positive response.

with best regards

Naresh Bhimavarapu

GUEST LECTURE REPORT

Emerging Trends in Software Engineering & Industry Best Practices

on 29th March 2025

Inauguration Address by Dr. I R Krishnam Raju, Principal

The event commenced with an inaugural speech by our esteemed Principal, Dr. I R Krishnam Raju, who emphasized the importance of such industry-academia interactions in fostering student growth.

In his words:

"Guest lectures by accomplished professionals like Mr. Vasudev Manepalli offer a unique opportunity for students to understand real-world challenges and prepare themselves for the ever-evolving technological landscape. We are committed to facilitating such events to provide our students with the best learning experiences."

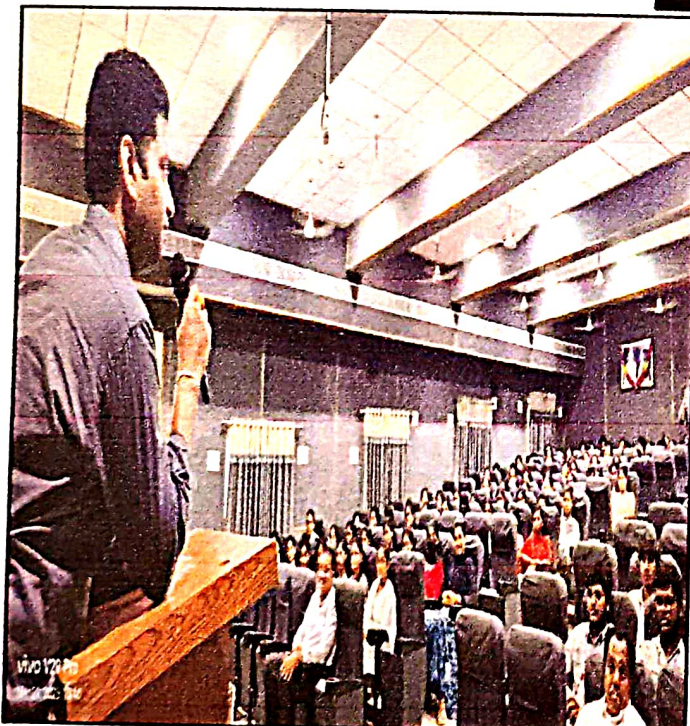

His motivating words set the tone for the session and encouraged students to make the most of the opportunity.

Session taken by Mr. Manepalli Vasudeva

Mr. Manepalli Vasudeva commenced the session by sharing his professional journey and experiences in the global software industry. He highlighted the importance of emerging technologies, agile methodologies, and problem-solving skills in software development.

The discussion also covered:

1. Practical applications of programming in industry scenarios.
2. Current trends such as cloud computing, AI, and DevOps.
3. The significance of teamwork and continuous learning for career advancement.

Outcomes of the Lecture:

- Students gained a deeper understanding of real-world applications of their coursework.
- Increased awareness of the skills and knowledge required to excel in the software industry.
- Enhanced motivation to pursue innovative and research-oriented projects.

Certificate of Appreciation

This certificate is proudly presented to

Vasudeva Manepalli

in recognition of your valuable contribution as a Guest Lecturer at
B V Raju College, Vishnupur-Bhimavaram.

Your insightful session on **Emerging Trends in Software Engineering & Industry Best Practices on 29th March 2025** has greatly enriched our academic environment and inspired our students towards excellence in the field of engineering.

We extend our sincere gratitude for sharing your expertise and for contributing to the academic growth of our institution.
