**List Of Participants**

Name of the activity: Poetry writing activity

Date: 07-03-2018

Because practicing poetry writing enhances written communication skills that are more prominent for a student. We have planned to conduct it.

- Poetry writing helps to know rhythm and rhyming that is an heartbeat of a poem.
- It can enhance descriptive vocabulary.
- This practice makes them develop figurative language.
- It improves usage of grammar skills effectively.

## The Time.

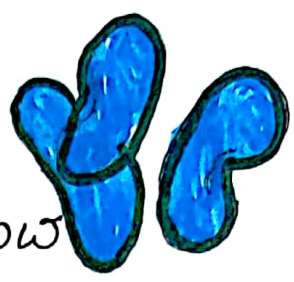

The time has come  
To stop allowing the clutter  
To clutter my mind  
like dirty snow,  
shove it off and find  
clear time, clear water

Time for a change,  
let silence in like a cat  
who has sat at my door  
Neither wild nor strange  
Hoping for food from my store  
And shivering on the mat.

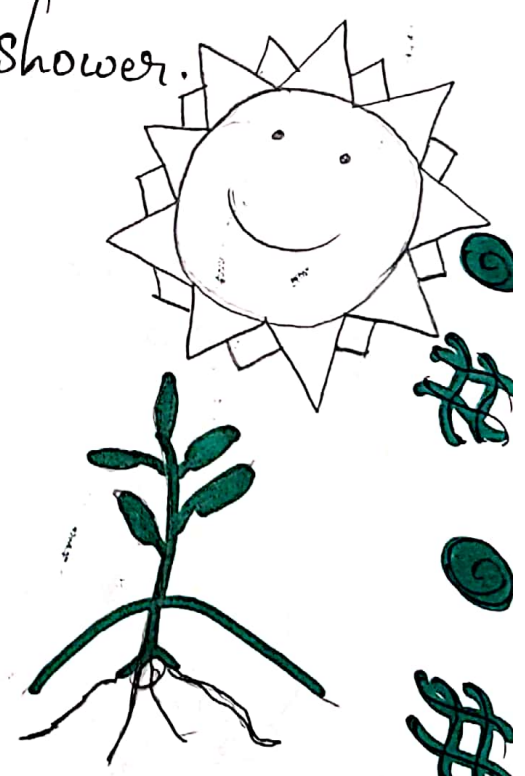

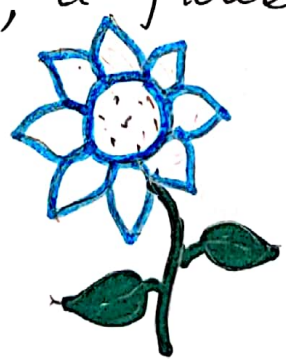

let silence in.  
she will rarely speak or mew,  
she will sleep on my bed  
And all I have ever been  
either false or true  
will live again in my head.

# A Little Seed

A Little seed for me to sow  
A Little soil to make it grow  
A Little hole, a little pat,  
A Little wish, and that is that,  
A Little sun, a little shower.  
A Little while -  
And then, a flower!

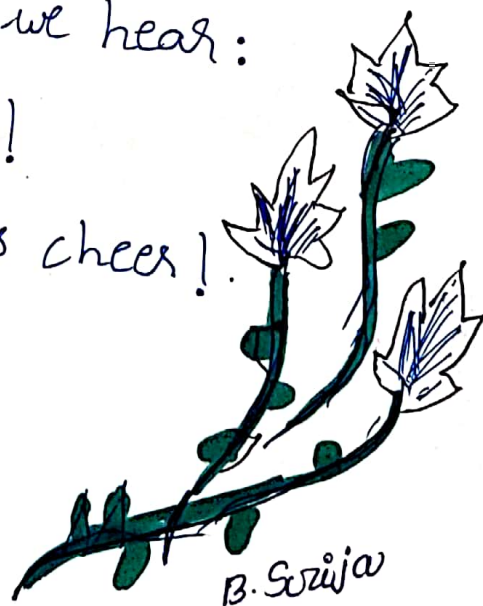

ph. Varushitha

WINTER  
CHEER

I love all the seasons,  
But winter is the best!  
Let's put on your mittens.  
Now we are all dressed.  
In the snow, we love to play.  
And this is what we hear:  
Brr, brr, brr, brrr!  
That's this season's cheer!

B. Szujar

# THE PATH TO LIFE.

We have tomorrow

Bright before us

Like a flame....

Yesterday

A might-gone thing,

A sun-down name....

And dawn-today

Broad arch above the road we came

P. TejaSwi

# Easy

Easy is to judge the mistakes of others  
Difficult is to recognize our own mistakes.

Easy is to hurt someone who loves you.  
Difficult is to heal the wound.

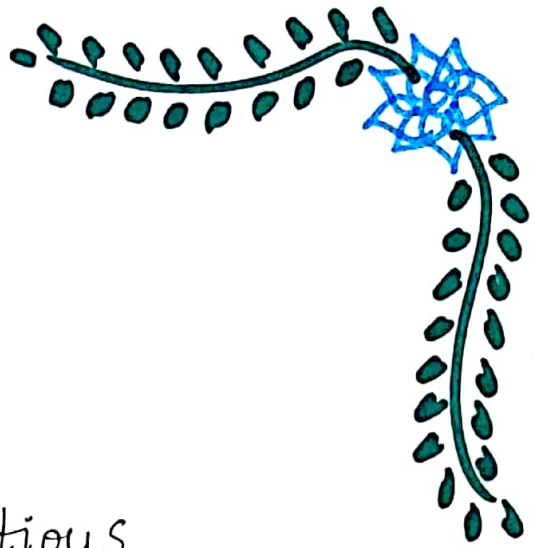

Easy is to set rules,  
Difficult is to follow them.

Easy is to say we love,  
Difficult is to show it every day.

Easy is to make mistakes,  
Difficult is to learn from them.

A. Auhita

# Smile

Smiling is Infectious  
You catch it like the flu

When someone smiled at me today  
I started smiling too  
I walked around the corner  
And someone saw me grin  
When he smiled I Realised  
I had passed it on to him  
I thought about the smile  
And then realised its worth.  
So if you feel a smile begin  
Don't leave it undetected.  
Start an epidemic  
And get the world infected.

K. Ramesh

## A Pause of thought

I looked for that which is not, nor can be,  
And hope deferred made my heart sick in truth:  
But years must pass before a hope of youth  
Is resigned utterly.

I watched and waited with a steadfast will:  
And though the object seemed to flee away  
That I so longed for, ever day by day  
I watched and waited still.

Sometimes I said: This thing shall be no more,  
My expectation wearies and shall cease;  
I will resign it now and be at peace:  
Yet never gave it o'er.

Sometimes I said: It is an empty name  
I long for; to a name why should I give  
The peace of all the days I have to live?—  
Yet gave it all the same.
